AWARENESS DINNER

CH2M Hill Alumni Center
725 SW 26th Ave, Corvallis

OUR MISSION

We work to break the cycle of child abuse and neglect, supporting children as they find their voice and helping children and families heal and thrive.

OUR IMPACT

ABC House is dedicated to working with children, youth, and their families to overcome the crisis of abuse and neglect in Linn and Benton counties. We provide child abuse assessments and trauma counseling to ensure that children impacted by abuse receive the services needed to heal and live a healthy, happy, and productive life.

CHILD ABUSE ASSESSMENTS

Being a child shouldn't hurt. That's why ABC House provides forensic evaluations and support services to children whom authorities believe may have been abused or neglected. Each year, ABC House serves hundreds of infants, youth, and children impacted by abuse or neglect.

TRAUMA COUNSELING

Our ABC House mental health counselor specializes in evidence-based trauma treatment to help children and their family members process what happened to them and move forward toward healing.

COMMUNITY PREVENTION EDUCATION

As a leading voice on child abuse prevention and recognition, we believe that education is the key to ending child abuse. With a mission centered on breaking the cycle of abuse and neglect, ABC House offers numerous prevention trainings to the public, free of charge.

Celebrate Hope

ABC House's 16th Celebrate Hope fundraising and awareness dinner will be held at the CH2M Hill Alumni Center in Corvallis on Thursday evening of April 3, 2025.

At ABC House, children and their families never pay out-of-pocket costs for services and are never turned away due to inability to pay. Nearly half of our funding comes from generous community members like you! Your Sponsorship dollars enable hundreds of Benton and Linn County Children to receive the specialized care and support they need to recover and heal from the trauma of abuse or neglect.

Benefits can include your company name and/or logo displayed on event signage and in all e-communications, social media, and printed event materials. Sponsors from the table sponsor and up include a table with seating for eight at the event. We encourage you to invite individuals interested in learning more about supporting children in crisis. The attendees of this event include business and community leaders, management teams, government officials, law enforcement, and philanthropic individuals.

We look forward to you joining us for an evening filled with joy, hope, and community spirit that will leave a lasting impact on vulnerable children in our community.
